

Product Warranty

Dreamscreens warrants that the products sold shall be free from defects in material and workmanship and shall conform to specifications for as long as the original purchaser owns/resides at that residence. The words 'defects,' as used in the warranty, is defined as imperfections which impair the utility of the product. This warranty is in effect from the date of original purchase provided the product has been installed in accordance with the product installation instructions using generally accepted trade practices and is routinely serviced.

Routine service would include keeping the guide rails and screen mechanism free of dirt, sand, and debris, and as further prescribed in the product Service and Maintenance Guidelines. Dreamscreens' obligation under the warranty shall be, at the company's election, to repair or replace any parts deemed defective. Replacement parts are free of charge, F.O.B. Sarasota, Florida or may be obtained from the local authorized Dreamscreens dealer.

Labor is included for a period of twelve months from the date of purchase provided an authorized Dreamscreens dealer or factory trained representative installed the product. Any labor required after the twelve month period will be charged for accordingly. The screen mesh material is not covered in this warranty and the warranty does not cover damages to the product caused by improper operation, storage, cleaning, misuse, accidents, intentional human acts, negligence, or acts of God. In addition, this warranty does not apply to any Dreamscreens product used in commercial applications or that have been repaired or altered without the company's express written consent.

For motorized products, all motors and remote control units shall be warranted for a period of 5 years from the date of purchase (batteries excluded).

Dreamscreens are no designed or intended to act as a security device or to prevent access by any individual, small children, or animals.

Dreamscreens does not warrant that the product meets to requirements of any safety code of any state, municipality, or other jurisdiction.
