Warranty on Installation

If Solarlite, LLC installs the goods, the installation of the goods will be free from defects in workmanship for a period of 10 years from the date of installation. At the discretion of Solarlite, LLC, warranty can be limited depending on the condition of the roof at the time of the installation. Should such installation be determined by Solarlite, LLC to be defective, Solarlite, LLC shall repair defect. Warranty does not cover leaks, which eventuate from failure, deterioration, wear and tear of roof substrates, tiles, shingles, or coverings and coating. Warranty is void after re-roofs or after any work which involves disturbing the product's seal by any company or persons other than the original vendor. A service charge will incur on all calls related to a product defect.
